

# 1224 Kinnear

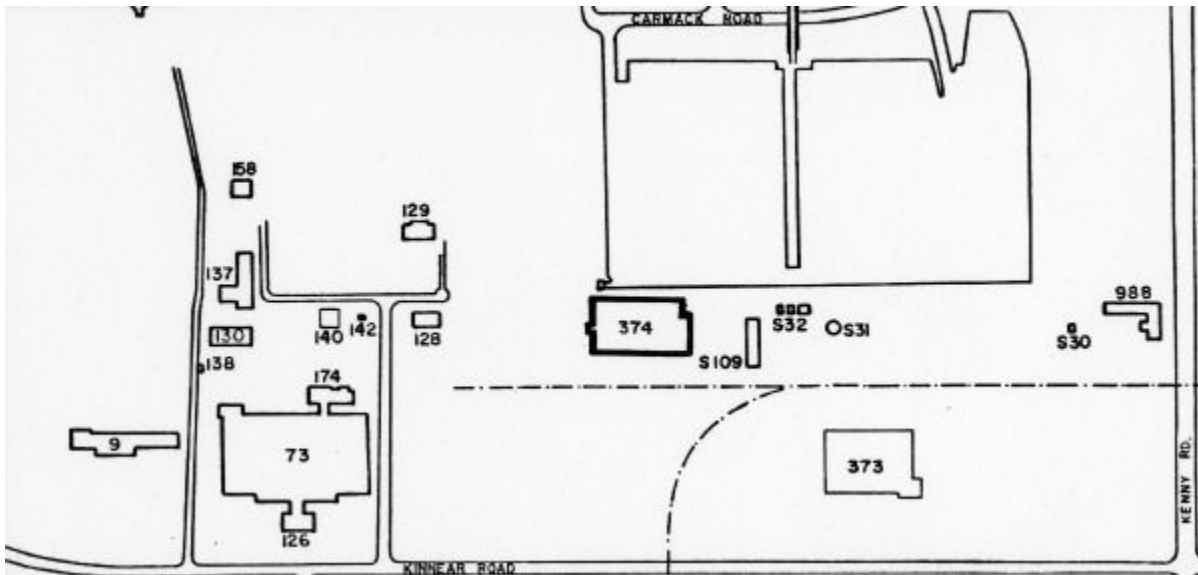

Herrick Archives Building S 109

## A. IDENTIFICATION & LOCATION

This is the smaller of the two buildings at this address leased for the proposed research park. For the other building, see Report 374.

This building is not included in Campus Planning records. It is a concrete block building with a prefabricated steel section added at each end. The outside dimensions are approximately 40 ft. x 160.5 ft.

The following map shows the approximate location of this building:

For identification of other buildings shown, see Appendix A.

This building is Shown in Photographs X 30134 & X 30135 in Photo Archives.
